VIII. New Business
   a. Policy Approval (Leg Policy) (The board can read the Leg Policy.)

BOD Minutes from March 20, 2013
Mr. Collins stated that the policy is very straightforward. He read the policy aloud to the board stating that student organizations are required to include the ASI logo to the publicity or event materials. Mr. Koo stated that this is already a requirement, but it is not enforced. Ms. Hamilton would like the policy to be worked on to include some sort of penalty if the policy isn’t practiced by student organizations. Mr. Rios commented that this is something that is stated on the funding packet and online. Mr. Collins commented that changing the policy would take about 3 weeks, so the changes should be made now at the board level. Mr. Rios stated that a review of the student organization’s event was required after the event. Perhaps this is something that should be reconsidered to include a flyer that would include the ASI logo. Ms. Soltani suggested a spelling change to article d of this policy.

Motion to approve the Logo Policy as is, and to be included to the funding packet, and change the “flier” spelling in article d
Moved by Ethnic Studies Rep, seconded by VP of Finance
Motion passed.

b. Policy Approval: Stipend Compensation Policy (The Board will vote on the stipend policy.)
Mr. Collins stated that this is the policy stating how much board members get paid. Ms. Chandiwalla suggested a change be made to the spelling in one portion of this policy. Mr. Collins stated that deductions of pay are brought to the board, then the judicial committee. The judicial committee then would make a decision that would have to then be approved by the board. Mr. Neylon suggested that a deduction of pay be looked over by the corporate secretary, in the event that the deduction is regarding poor meeting attendance. Mr. Koo stated that section 5 guidelines should be edited to “the Board of Directors shall review and approve on an annual basis the stipends as follows:”

Motion to amend the Stipend Compensation Policy to remove sections d and e from five guidelines and President pay at $925, Executive BOD pay at $800, College Reps and Class Reps pay at $500, and the changing of paragraph A to “the Board of Directors shall review and approve on an annual basis the stipends as follows:”
Moved by Ethnic Studies Rep, seconded by VP of Internal Affairs
Motion passed.

Ms. Soltani announced that CHESS is a series of lobbying visits. She is in support of these four items: Support for access, Debt Service and Retirement Costs, Opposing the cap proposal of units for CSU students, and Support for SB240 and SB267. Ms. Hamilton stated that she is undecided on fully opposing the unit cap due to various reasons. Mr. Collins stated that he is in support of the unit cap. Ms. Hamilton stated that the unit cap bill is flawed for not providing an alternative to marginalized students. Ms. Brown commented that students that come into SF State having to take remedial classes are not considered since the remedial classes units are still taken into account. Ms. Yurman stated that she is opposed the unit cap bill and it should be up to each university to have its own policy regarding this initiative. Ms. Hamilton and Mr. Fuentes stated that they are opposed to this bill. IRA will have finalized its preliminary approval of all IRA funding requests. Meetings for the ASI/SCGB synergies meetings will still take place. Ms. Yurman asked whether the synergy has been brought to a vote for SCGB or the ASI board. The synergies should be voted on to avoid wasted efforts by both boards. Ms. Hamilton stated that a consultant is first being hired so that both boards could be presented with specifics to later be voted on. Mr. Koo stated that the collaboration of the two entities is an effort to create one strong, efficient entity. Mr. Koo encourages the board to give their input and questions. Ms. Hamilton announced that the HR collaboration is a different matter from the synergy of ASI and SCGB. Ms. Hamilton stated that she is not sure who initiated the synergy of ASI and SCGB, but there have been various conversations within each group. Mr. Koo stated that it has to be on record that ASI is approving to change its bylaws to include SCGB. Ms. Yurman commented that since the next board will be approving this, it is very important to educate the next board on what is going on now.
