Associated Students is aware of the situation that took place on Monday, March 28th, between three students in the Cesar Chavez Student Center. One of the students in the video, Ms. Tindle, is a student assistant employed by Associated Students, and was not acting on behalf of Associated Students in any capacity, when the incident occurred. We are in full cooperation with the investigation being conducted by the University, in order to ensure due process for the students involved.

Associated Students, Incorporated is a 501(c3) auxiliary nonprofit. Associated Students, the student government at San Francisco State University, serves as the official voice of the students. Associated Students promote an enriched co-curricular student life experience and is dedicated to the empowerment of SF State’s diverse student body through a commitment to social justice and shared governance. Associated Students provides and supports services programs, maintain fiduciary responsibility, and engage in campus-wide collaborations and external advocacy efforts.
