ACQUIRING TEMPORARY AND PERMANENT WORKS OF ART POLICY AND GUIDELINES FOR THE CESAR CHAVEZ STUDENT CENTER APPROVAL AND REVISION HISTORY......................................................... 14
BACKGROUND AND PURPOSE

The objectives of this policy are 1) to ensure any proposed art installation and/or placement inside or on the exterior of the Cesar Chavez Student Center is conducted in an accessible, fair, and timely manner that reflects all the aspects of shared governance, 2) Clearly identify the roles and responsibilities of all approval parties involved, 3) All communications to the public are factual and accurate, 4) All legal, safety, and risk requirements are met, and 5) Associated Students is compliance with all SF State University and CSU regulations and policies.

Associated Students at San Francisco State University supports and encourages a wide range of artistic expression arising from the San Francisco State University Community both at home and abroad. By supporting the identity of artists within the campus community, Associated Students endorses and expresses its support for the individual expression of equity and social justice and shares its perspective of the diverse cultural perspectives indicative of the shared core values of Associated Students and San Francisco State University.

Any acquisition made by Associated Students, both temporary and permanent, shall apply to and meet the policies and guidelines outlined by Associated Students. Associated Students is committed to safety and ensuring a respectful environment to all students, staff, faculty, alumni, and campus visitors; thus Associated Students retains the right to consider restoration, removal, sale, exchange, transport, and/or destroying a work of art. Associated Students may also designate certain works of art permanent or temporary as in accordance with Associated Students policies and guidelines.

POLICY STATEMENT

Associated Students at San Francisco State University supports and encourages a wide range of artistic expression arising from the San Francisco State University Community both at home and abroad. By supporting the identity of artists within the campus community, Associated Students endorses and expresses its support for the individual expression of equity and social justice and shares its perspective of the diverse cultural perspectives indicative of the shared core values of Associated Students and San Francisco State University.

GUIDELINES AND PRINCIPLES FOR ACQUIRING WORKS OF ART

Associated Students is to actively consider and consistently demonstrate in acquiring works of art the commitment to Associated Students and the University's core values of advocacy, equity, and social justice by:

- Maintaining an inclusive and respectful environment, indicative of all cultures, races, ethnic groups, languages, religions, intellectual and political perspectives, sexual orientation, disabilities, genders, ages, and social and economic classes.
- Advocating for collective student's passions and emphasizing a need for the value of higher education.
• Representing content which promotes community understanding, pride, and solidarity with respect to diversity.
• Facilitating an understanding and safe environment.
• Empowering community members to become informed, responsible, and active members of diverse communities at all levels.

For works of art to be considered in the process of acquisition, both temporarily and permanently, works of art must promote:

• Community
• Dignity of oppressed peoples
• Human rights
• Self determination
• History of resistance to oppression
• Contribution of underrepresented voices
• Equity - equality
• Social Justice
• Multiculturalism
• Student Empowerment
• Collaboration of Campus Networks
• Advocacy

CRITERIA AND MEANS OF REVIEWING PROPOSALS AND ART ACQUISITION

The Facilities & Services Council of the Associated Students Board of Directors shall use, but not be limited to the following criteria to be used when considering proposals for potential acquisitions of works of art, both external and internal, by either purchase or commission:

• Inherent Artistic Quality- To be determined by the collective agreement of either the Facilities & Services Council in accordance to all jurisdictional and operation purview of Associated Students, as well as within the policies and guidelines set forth by Associated Students;
• Context- Works of Art, both external and internal, must be compatible in scale, material, form, and context of their given surroundings. Consideration to the architectural, historical, geographical, social, and cultural context to the site given is necessary for this criteria to be met;
• Media - All forms of visual art may be considered. All works of art, both external and internal, may be either temporary and therefore portable, or permanently set;
• Permanence - Due consideration shall be given to the structural and surface soundness, and to inherent resistance to theft, vandalism, weathering, and to excessive maintenance or repair costs;
• Public Safety- Each work of art, both external and internal, shall be evaluated by relevant authorities to ensure that it does not present a hazard to the at-large public;
• Diversity- Associated Students is committed to acquiring artworks that are reflective of diverse cultural communities and perspectives. To that end, the Governing Board shall actively seek artwork from artists of diverse ethnic, sexual, and socio-cultural identities.
• Social Justice - Content that creates awareness, education and recognition of societal struggles for a better world that at present may be unattainable due to disturbing, oppressive conditions within societal norms, and challenges the status quo to aspire towards a prosperous and healthy society for all.

• Equity - A condition in which the political, historical, cultural and legal factors associated with identity, power and privilege are thoughtfully accounted for when developing principles, policies, programs, and procedures such that all individuals receive fair treatment and equal opportunity in both intent and impact, regardless of their identity or background.

• Student Empowerment - A leadership and/or educational practice of sharing information, data, resources, authority and power with students so that they have the self-efficacy to impact the conditions of their campus community and as such take initiative, recommend action, and make decisions to solve problems and improve programs, services and outcomes.

• Feasibility - Proposed projects shall be evaluated relative to their feasibility and convincing evidence of the artist's ability to successfully complete the work as proposed. Factors to be considered include, but are not limited to: project budget, timeline, artist experience, material quality, etc.;

• Duplication - To assure that the artwork will not be duplicated, the artist(s)

• will be asked to warrant that the work is unique and an edition of one unless stated to contrary in the contract;

• Inclusion - Themes or major concepts of each work of art, both external and internal, should allow for the inclusion of communities, especially those of on-campus perspectives, communities, organizations, and collectives;

• Collaboration - Special consideration will be given to proposals that demonstrate effective collaboration between recognized student organizations in bringing together differing perspectives towards one common work of art, both external and internal.

Prior to selecting a site for the work of art, both external and internal, whether purchased or commissioned, Facilities & Services Council, in accordance to all jurisdictional and operation purview of Associated Students, as well as within the policies and guidelines set forth by Associated Students, shall take into consideration, but not be limited, to the following factors in determining the location:

• Visibility;
• Public accessibility;
• Public safety;
• Interior and exterior traffic patterns;
• Relationship between proposed work of art, both external and internal, to existing and future architectural features and to natural features;
• Contextual relationship between proposed work of art, both external and internal, to existing and future works of art, both external and internal;
• Functionality of the facility;
• Facility users and surrounding community and interactions of users and community members with proposed artwork;
• Future development plans for the area;
• Overall project goal or concept;
• Landscape design;

   a. The party bringing the concern;
   b. The Facilities and Service Chair
   c. The Executive Director;
   d. The Art Ad-Hoc Committee Members;
   e. Associated Students Board of Directors.

Board Level

If the party that has brought a concern to Art Ad-Hoc Committee would like to appeal the decision of the Art Ad-Hoc Committee, they may do so by providing a written statement to the President of Associated Students as well as the Executive Director that indicates their desire to appeal.

1. The written request for appeal must be delivered to the President of Associated Students as well as the Executive Director;

2. The President shall place the statement on the Board's agenda for discussion during the earliest meeting that is scheduled ten (10) or more business days from the date of receipt of the request for appeal;

3. The President and/or the Executive Director will inform the concerned party of the date, time, and location of the meeting at least seven (7) days prior to the meeting date;

4. The Board will only review information that has been thoroughly discussed at the Committee level. If there is new or supplementary information that the appealing party wishes to have heard, they are required to start again at the Committee level;

5. The Board will review the information and discussion present at Committee and, through a simple majority vote of members present, either uphold the Committee's decision or recommend new standards of proceeding;

6. The Board will provide a copy of the determination in writing to:
   a. The party bringing the concern;
   b. The Executive Director;
   c. The Art ad-Hoc Committee Members;
   d. Associated Students Board of Directors;
