**ASSOCIATED STUDENTS BOARD OF DIRECTORS PASSED
RESOLUTION IN OPPOSITION OF THE CITY AND COUNTY OF SAN FRANCISCO'S TAX**

SAN FRANCISCO, CA -- On February 5th, 2020, the Associated Students Board of Directors announced the adoption of a resolution entitled "In Opposition of The City and County of San Francisco's Tax ." This resolution was authored in response to the collection of the City's parking tax from those utilizing university parking facilities.

According to the resolution, the key resolve states:

"THEREFORE BE IT RESOLVED, The Associated Students of San Francisco State University strongly opposes the City and County of San Francisco requiring students to pay an additional 25% tax on parking at San Francisco State, which would put an undue financial burden on students who already struggle to afford living and completing their education in San Francisco; thus,

RESOLVED, we believe the City and County of San Francisco should exempt the students of San Francisco State from the proposed 25% parking tax increase, in the name of supporting higher education and student access. "

To learn more about the Resolution or for press inquiries, please contact the Office of the Associated Students VP of External Affairs, Alondra Esquivel Garcia, 415.405.2810 or at vpexternal@asi.sfsu.edu.
