INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Associated Students of San Francisco State University

Opinion

We have audited the accompanying financial statements of Associated Students of San Francisco State University (a California State University Auxiliary Organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Associated Students of San Francisco State University ("the Organization" or "Associated Students") as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information on pages 21-34 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 23, 2022 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the Organization's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 17, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Associated Students of San Francisco State University

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 1 - ORGANIZATION

The Associated Students of San Francisco State University (the "Associated Students") is a not-for-profit organization that functions as an auxiliary organization for San Francisco State University (the "University"). The Associated Students operates student programs and activities for the benefit of the students of the University. Such programs and activities are funded primarily from student activity and program fees.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Description of Net Assets

The financial statements of the Associated Students are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), and the accounts are maintained in accordance with the principles of fund accounting. Resources for various purposes are classified for accounting purposes into funds that are in accordance with specific activities or objectives. For financial statement purposes, the following classes of net assets as prescribed for not-for-profit organizations by the Financial Accounting Standards Board ("FASB") report all financial transactions:

Net Assets without Donor Restrictions - Net assets consist of all resources of the Associated Students that are not subject to donor-imposed restrictions. Net assets without donor restrictions are available to support all of its programs, activities, facilities and operations.

Net Assets with Donor Restrictions - Net assets with donor-imposed restrictions are subject to donor and grant-imposed stipulations. Some donor restrictions are temporary in nature; when a stipulated time or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets are released from restrictions. Other donor restrictions are perpetual in nature, whereby the donor has stipulated be maintained in perpetuity. At June 30, 2022, there were no net assets with perpetual or temporary restrictions.

Revenue Recognition

Contribution and grant revenue is recognized when cash, securities, other assets, a promise to give, or a notification of beneficial interest is received unconditionally. Conditional contributions received are accounted for as a liability, until conditions are met, at which point the transaction is recognized as unconditional and classified as either net assets with donor restrictions or net assets without donor restrictions. Conditions must have:

- One or more barriers to overcome before a recipient is entitled to the assets transferred or promised; and
- A right of return to the provider for assets transferred (or for a reduction, settlement, or cancellation of liabilities), or a right of release of the promisor from its obligation to transfer assets (or reduce, settle, or cancel liabilities).

Associated Students of San Francisco State University

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

The Associated Students is party to conditional grants with grant terms through September 30, 2022, and additional funding of \$31,066 that has not been recognized at June 30, 2022 because certain performance obligations have not been met.

Contributions and grants are reviewed for restrictions imposed by donors to determine if the contribution or grant should be classified as net assets with donor restrictions or net assets without donor restrictions. The Associated Students report donor-restricted contributions whose restrictions are met in the same reporting period as revenue recognized as support within net assets without donor restrictions. There were no contributions with restrictions received during the year ended June 30, 2022.

The Associated Students has contract revenue consisting of Commission Fees, Childcare Tuition, Service Fee associated with the Student Activity fees and Student Center fees and Technical Services. Revenue is recognized when a performance obligation is satisfied when there is a transfer of control of the asset or at the time the good or service is consumed. Contracts are satisfied over the time of the contract. The transaction price is determined using fixed and variable amounts. The Associated Students recognizes service fees revenue as it is earned at the end of each semester and revenue is requested after each semester. The Associated Students is required under Title 5 Section 42403(a) of the California Code of Regulations, to have the student activity fees collected by the University in a campus trust account. At June 30, 2022 and 2021, the service fees for student activities earned was \$6,408,389 and \$6,494,283, respectively.

Program revenue are fees the Associated Students receives for providing childcare, room scheduling/meetings, Farmers Market and other activities. The fees are collected by the Associated Students and recognized when earned.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Associated Students considers all unrestricted liquid investments with an initial maturity of three months or less to be cash equivalents. This includes cash on hand and cash in banks.

Investments

Investments are carried at fair value. Investments consist of funds invested in the Local Agency Investment Fund ("LAIF") and debt securities with interest and realized and unrealized gains and losses reflected in the statement of activities.

Accounts Receivable, net

Accounts receivable includes amounts due from the Early Childcare Education Center (ECEC), San Francisco State University and a note receivable assumed from the merger of the Cesar Chavez Student Center and the Associated Students of San Francisco. Accounts receivable of \$482,300 at June 30, 2022, is shown net of an allowance for uncollectible accounts of \$4,000.

Property, Equipment, and Capitalized Leasehold Improvements

Property and equipment are capitalized at cost when purchased, or if donated, at estimated fair market value at the date of donation. Depreciation has been calculated using the straight-line method over the estimated useful life of the assets, ranging from three to ten years. Capitalized leasehold improvements are amortized over the lesser of their service life or remaining lease term.

Associated Students of San Francisco State University

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deferred Revenue

Deferred revenue consists primarily of tuitions and fees collected in advance for summer sessions at ECEC.

Income Taxes

The Associated Students is a tax-exempt organization under Internal Revenue Service Code Section 501(c)(3) and the California tax code. The Associated Students follows the guidelines of the FASB Accounting Standards Codification ("ASC") Topic 740 for accounting for uncertainty in income taxes. At June 30, 2022, management evaluated the Associated Students' tax positions and concluded that the Associated Students had maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The statute of limitations for federal and California state purposes is generally three and four years, respectively.

Functional Allocation of Expenses

The costs of providing various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services that are benefited based on management estimates.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value Measurement

The Associated Students carries certain assets and liabilities at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Associated Students classifies its financial assets and liabilities according to three levels, and maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value.

Level 1 - Quoted market prices (unadjusted) in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date.

Level 2 - Observable inputs other than quoted prices included within level 1 for the asset or liability, either directly or indirectly.

Level 3 - Unobservable inputs for the asset or liability that are not corroborated by market data.

Comparative Information

The financial statements include certain prior year summarized comparative information in total but not by asset class. Such information does not include sufficient detail to constitute a complete presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Associated Students' financial statements and notes for the year ended June 30, 2021, from which the summarized information was derived.

The Local Agency Investment Fund is a voluntary program created by statute that began in 1977 as an investment for California’s local governments and special districts. The program offers local agencies the opportunity to participate in a major portfolio, which invests hundreds of millions of dollars, using the investment expertise of the Treasurer’s Office investment staff. Participating agencies can withdraw their funds from the LAIF at any time. Participating agencies’ portions of the fund are held at fair value using net asset value (“NAV”) information provided by LAIF.

The design of the kitchen upgrade project should be completed by Fall semester, 2022 for a total commitment of \$100,000 for phase I of the project.

NOTE 6 – RETIREMENT PLAN

All salaried employees are covered under an employer-sponsored 403(b) tax-sheltered annuity plan, administered by the Variable Annuity Life Insurance Company. Contributions made by the Associated Students to this plan during the years ended June 30, 2022 and 2021 were \$277,633 and \$289,312, respectively.

Associated Students of San Francisco State University

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 7 – EMPLOYEE BENEFITS PAYABLE

Prior to the merger with the Associated Students, the Student Center of San Francisco State University (the “Student Center”) provided health care benefits to its active employees and retirees. The Board of Directors of the Student Center decided that coverage should be maintained and engaged an actuarial consultant to provide an estimate of the anticipated liability for coverage to the effected employees and retirees. The Associated Students did not provide similar coverage, and after June 30, 2014, active employees transferring employment to the Associated Students and retirees would no longer be eligible for that coverage. Effective January 1, 2018, the Associated Students changed its retirement plan to include post-retirement health care benefits for all employees of the Associated Students who vest. The present value of future expected healthcare benefits was calculated using actuarial assumptions based on the benefits provided, premium increases, and assumptions disclosed in the tables below. Reporting information under ASC 715-60 for 2021/2022 fiscal year is based on a roll-forward of the June 30, 2021 Actuarial Valuation assuming actual experience matched expected experience. The June 30, 2022 accumulated post-retirement benefit obligation, APBO, was adjusted to the appropriate June 30, 2022 discount rate.

The following table provides a reconciliation of the changes in the employee benefits liability and the funded status at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Benefit obligation at beginning of year	\$ 4,585,956	\$ 5,634,574
Service cost	378,454	428,602
Interest cost	132,153	156,834
Actuarial (gain) / loss	(1,451,635)	(1,567,350)
Benefits paid	<u>(57,892)</u>	<u>(66,704)</u>
Benefit obligation at end of year	3,587,036	4,585,956
Fair value of plan assets at beginning of year		
Employer contributions	57,892	66,704
Benefits paid	<u>(57,892)</u>	<u>(66,704)</u>
Fair value of plan assets at end of year	<u>-</u>	<u>-</u>
Unfunded benefit obligation at end of year	<u>\$ 3,587,036</u>	<u>\$ 4,585,956</u>

The following table provides the components of the net periodic benefit cost for the plan, which was included in total expenses in the statements of activities for the years ended June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Service cost	\$ 378,454	\$ 428,602
Interest cost	132,153	156,834

Associated Students of San Francisco State University

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 7 – EMPLOYEE BENEFITS PAYABLE (CONTINUED)

The following table provides plan items not yet recognized as a component of periodic plan expenses, but included as a separate charge to net assets at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Prior service cost	\$ 3,160,663	\$ 3,414,666
Actuarial (gains) loss	(2,505,930)	(1,113,865)
	<u>\$ 654,733</u>	<u>\$ 2,300,801</u>

The change in the prior service cost and the actuarial gains (loss) for the years ended June 30, 2022 and 2021 was \$1,646,068 and \$1,821,353, respectively, which was recognized as a charge (credit) to net assets in the statements of activities. Prior service cost of \$254,003 and actuarial gain of \$195,202 are expected to be recognized as components of net periodic benefit cost over the next fiscal year.

The following weighted-average assumptions were used to determine OPEB expense:

	<u>2022</u>	<u>2021</u>
Discount rate	2.90%	2.80%
Expected long-term return on plan assets	N/A	N/A

Assumed health care cost trend rates:
Rate assumed for following year:

	<u>2022</u>	<u>2021</u>
	Actual Increases	Actual Increases
Pre-Medicare	6.50%	6.75%
Post-Medicare – Kaiser	4.70%	5.90%
Post-Medicare – Non-Kaiser	5.70%	
Ultimate rate	4.00%	4.00%
Year ultimate rate reached	2075	2075

A one-percentage-point change in assumed health care cost trend rate would have the following effects:

	<u>One-Percentage- Point Increase</u>	<u>One-Percentage- Point Decrease</u>
Effect on accumulated benefit obligation as of June 30, 2022	\$ 833,493	\$ (637,254)
Effect on 2021/2022 annual aggregate service and interest costs	\$ 169,986	\$ (121,840)

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 7 – EMPLOYEE BENEFITS PAYABLE (CONTINUED)

The Associated Students estimates employer contributions of \$73,000 to be paid to the plan during the next fiscal year. Future benefit payments under the plan are as follows:

Year ending June 30,

2023	\$	73,357
2024	\$	76,914
2025	\$	83,367
2026	\$	89,705
2027	\$	83,880
2028-2032	\$	553,411

NOTE 8 - CAPITALIZED LEASEHOLD IMPROVEMENTS AND LEASE OBLIGATION

The Associated Students' capitalized leasehold improvements are related to capital improvements made to the Children's Center on land, which is leased from the Board of Trustees of the California State University (the "Trustees"). The Associated Students facility lease with the Trustees for the facility of the Children's Center, the current term of the facility lease agreement commenced December 2017 and runs through June 30, 2022. Total capitalized leasehold improvements were \$5,497,084 and \$5,486,469 at June 30, 2022 and 2021, respectively. Accumulated amortization relating to the capitalized leasehold improvements was \$5,450,731 and \$5,401,251 at June 30, 2022 and 2021, respectively.

NOTE 9 – TRANSACTIONS WITH RELATED ENTITIES

Associated Students is an auxiliary organization affiliated with the University and the California State University (CSU) System statewide. Associated Students is also affiliated with The University Corporation, San Francisco State (the "Corporation"), an auxiliary organization of the University and CSU. The accompanying financial statements include transactions with related parties as of and for the years ended June 30, 2022 and 2021, as follows:

NOTE 9 – TRANSACTIONS WITH RELATED ENTITIES (CONTINUED)

Effective August 1, 2017, the Associated Students entered into an operating agreement and lease (“Master Lease”) with the Board of Trustees (“Trustees”) of the California State University, for the facilities and space that it utilizes in the Student Center. The term of the Master Lease is August 1, 2017 to July 31, 2024. The Associated Students will share usage with the Corporation. For lease costs, the Associated Students is required to pay its share of the common area and facilities upkeep costs. For the year ended June 30, 2022, the Associated Students incurred \$866,512 for its 46% share cost of the maintenance of the Student Center. Of this amount, \$750,830 is reimbursed and \$115,682 is payable to the University as of June 30, 2022.

The Corporation did not make a contribution to the Associated Students for the year ended June 30, 2022. Due to the campus continuing to have remote environment related to Covid-19, there was not residual net rental income from the leasing operations managed by the Corporation.

NOTE 10 - CONCENTRATION OF RISK

The Associated Students has defined its financial instruments, which are potentially subject to risk as cash and investments in LAIF. LAIF is a special fund in the State Treasury created for the purpose of pooled investment of idle funds for local governmental and quasi-governmental entities. These funds are neither insured nor guaranteed by the United States or California governments. The Associated Students investments in LAIF were \$18,388,801 at June 30, 2022. From time to time, cash balances may exceed federally insured limits. The Associated Students has not experienced any previous losses in such accounts and believes it is not exposed to any significant credit risk on its cash.

NOTE 11 - GOVERNING BOARD TRANSACTIONS

Compensation paid to student members of the Associated Students Governing Board for the year ended June 30, 2022 was \$235,980. These payments, which range from \$849 - \$1,486 per month, are included in the statement of activities as student government expenses.

NOTE 12 - FUNCTIONAL EXPENSES AND NATURAL ACCOUNT

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable and equitable basis, which is determined by management. The expenses that are allocated include and the following:

<u>Expense</u>	<u>Method of Allocation</u>
Salaries and benefits	Percentage share
Office and occupancy	Percentage share
Professional services	Percentage share
Depreciation	Specific location
Supplies and travel	Specific location

NOTE 13 - LIQUIDITY

Financial assets at the statement of financial position date available to meet general expenditures within one year of the statement of financial position date include:

Cash and cash equivalents	\$ 3,682,493
Short term investments	18,549,380
Receivables	482,300

Financial assets available to meet general expenditures over the next twelve months	\$ 22,714,173
---	---------------

None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position ended June 30, 2022. The Associated Students maintains financial assets, which consist of cash and short-term investments, on hand as part of its operating reserves to meet six months of normal operations. The Associated Students uses normal revenue generated from programs to meet normal operating expenses, which are, on average, approximately \$355,600 (unaudited) per month. As part of its liquidity management, the Associated Students invests cash in excess of daily requirement in various short-term investments, including the LAIF.

NOTE 14 - SUBSEQUENT EVENTS

The global pandemic due to COVID-19 continues to have an impact to the Associated Students with the University planning to increase in-person classes, activities and programs starting in Fall 2022. Associated Students was required to develop both virtual and in-person programming to engage the student body. Operations within the Cesar Chavez Student Center resumed on a modified scale to meet safety requirements. Management will embark on a space allocation assessment to identify underutilized space to propose potential renovation for optimize usage of office and meeting space.

Management continues to evaluate the impact of COVID-19 on its operations and has determined that the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of
Associated Students of San Francisco State University

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Associated Students of San Francisco State University (Associated Students) (a California State University Auxiliary Organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 23, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Associated Students of San Francisco State University's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Associated Students' internal control. Accordingly, we do not express an opinion on the effectiveness of the Associated Students' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Associated Students' financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Associated Students of San Francisco State University's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Associated Students' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Associated Students' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
