

## Job Announcement - EARLY CHILDHOOD HEAD TEACHER

The Associated Students of SF State is seeking a highly qualified Head Teacher to join our Teaching team at the Early Childhood Education Center (ECEC). The ECEC serves children from 4 months – 5 years old.

### Organization and Program Profile:

AS is the student government at SF State and serves as the official voice of students. AS promotes an enriched co-curricular student life experience and is dedicated to the empowerment of SF State's diverse student body through a commitment to social justice and shared governance. AS provides and supports services and programs, maintains fiduciary responsibility, and engages in campus-wide collaborations and external advocacy efforts.

The ECEC's primary goal is to assist student parents attain their educational goals by providing appropriate care for their young children in a high-quality, convenient and affordable educational setting. Our educational philosophy draws upon a variety of educational approaches to support each child's optimum growth and development as well as make children's learning visible. As a campus-based childcare program, we also provide opportunities for student employment and Early Childhood teacher training.

### Position Description:

Under general supervision of the Assistant Director, the Head Teacher plans and implements activities which are designed to develop a range of social, cognitive, and motor skills for individuals and groups of children, within the classroom and outdoor play areas of the Early Childhood Education Center. Establishes and maintains a strong, two-way relationship with parents of children enrolled in their classroom. Observes and assesses individual and group learning experiences to ensure *best practice* and an anti-bias curriculum. Supervises and trains student employees, interns and classroom volunteers.

Center Hours of operation are 7:30 am - 5:00 pm. Evening and weekend work may be required as duties demand.

### Minimum Qualifications:

- BA degree in Child Development or related field
- Three (3) postsecondary semester or equivalent quarter units related to the care of infants
- CA Child Development Permit at the Site Supervisor Level
- Two (2) years of lead teacher experience in a Center based program.

Knowledge of:

- Principles and theories of child growth and development.
- Reggio-inspired philosophy and its relationship to environments and learning.
- WestEd's Program for Infant and Toddler Care (PITC) principles and practice (if applicable to age group)
- California's Desired Results Developmental Profile (DRDP), Work Sampling and/or Ages and Stages Questionnaire (ASQ) assessment tools (appropriate to age group).
- The Infant/Toddler or Preschool Learning and Development Foundations, published by the
